“Seeing the program (UW-SET Resident) and seeing how **strong** and **supportive** the **community** we were able to create through this program was **amazing.**”

- Stipend and health benefits offered
- 44 credits of special education graduate-level curriculum
- A full academic year teaching residency in a high-need partner school
- Post-graduation employment in a partner district
- 2 years of post-graduation support and professional development
- Teacher Pledge and TEACH Grant Eligible

Interested in becoming a teacher and changing the lives of children?

Consider supporting your own community and focusing on the most underserved populations by joining the UW-Madison Special Education Teacher (UW-SET) Residency Program. In 14 months, you will graduate with a master's degree in special education and Wisconsin licensure in special education. You will also have a cohort of future colleagues who complete the program with you and guaranteed employment within one of our partner districts.
